

REMARKS

By the present amendment claims 14, 15 and 21 have been cancelled. Claims 1 to 13 were previously cancelled. Claims 16 to 20 and 22 to 24 are pending in the pending in the application, and have been allowed.

Claims 14, 15 and 21 were rejected by the Examiner as being unpatentable under 35 USC 103(a) over Dragan (U.S. Pat. No. 5,676,543) in view of Robertson (U.S. Pat. No. 3,238,620). In response, these claims have been cancelled and may form the subject matter of a future continuing application.

All remaining claims having been previously allowed, it is believed that no issues remain and the case is in condition for allowance.

Respectfully submitted,

 (Reg No 40576) for

Allan Coopersmith
